** This includes the cost of a 3 day residential in February half term

HOW DO I PAY MY FEES?

This year you will be able to make payments online as well in person and on the phone. Plans will be available so that you can pay either all in one, one payment per term, or via nine instalments (three per term). We are currently working through the new system and all the information will be sent out in August ready for the start of the new year.

FINANCIAL ASSISTANCE

All students are invited to apply to the means tested David Goldman and Netherton Park Trust Bursaries for our Foundation and Step Up Programmes; the application form and further information is available at point 4 on the acceptance web page.

If you are a member of the Centre for Advanced Training and receive an MDS grant, the remaining portion of that grant will be used to pay for your ensemble fees before you receive any money from the David Goldman and Netherton Park Trust Bursaries. We make these calculations for you, and we would always encourage you to apply to both.

NB: The amount of grant available to distribute can vary, and therefore you may not always receive the same amount of assistance year on year. For further information on available grants – both those provided by Sage Gateshead and those provided by other charitable trusts – please see the ‘Bursaries’ box on the front page of our website (www.sagegateshead.com/lymp)
