### HOW DO I PAY MY FEES?

This year you will be able to make payments online as well in person and on the phone. Plans will be available so that you can pay either all in one, one payment per term, or via nine instalments (three per term). We are currently working through the new system and all the information will be sent out in August ready for the start of the new year.

### FINANCIAL ASSISTANCE

All students are invited to apply to the means tested David Goldman and Netherton Park Trust Bursaries for our Foundation and Step Up Programmes; the application form and further information is available at point 4 on the acceptance web page.

*NB: The amount of grant available to distribute can vary, and therefore you may not always receive the same amount of assistance year on year. For further information on available grants – both those provided by Sage Gateshead and those provided by other charitable trusts – please see the ‘Bursaries’ box on the front page of our website ([www.sagegateshead.com/lymp](http://www.sagegateshead.com/lymp))*
